Negotiation / process levers on the top fee types:

- **Liftgate Delivery** (\$1,505): Charged when receiver lacks a dock. Audit which locations actually need liftgate; remove from standing accessorial where not needed.
- **Residential Delivery** (\$575): Address classified residential. Dispute misclassified commercial addresses; negotiate residential surcharge discounts.
- **Additional Handling Length + Girth** (\$422): Oversized boxes (L+G > 105"). Driven by Eagle box sizing — push Eagle to right-size cartons; ask WWEX/UPS for an L+G threshold waiver or rate cap.
- **Pickup Or Delivery Appointment** (\$287): Scheduled window fee. Confirm necessity per location.
- **Address Corrections Charge** (\$177): Bad ship-to data — fix at order entry; these are 100% avoidable.
- **Residential Surcharge** (\$52): Address classified residential. Dispute misclassified commercial addresses; negotiate residential surcharge discounts.
