Negotiation / process levers on the top fee types:

- **Liftgate Delivery** (\$1,051): Charged when receiver lacks a dock. Audit which locations actually need liftgate; remove from standing accessorial where not needed.
- **Additional Handling Length + Girth** (\$245): Oversized boxes (L+G > 105"). Driven by Eagle box sizing — push Eagle to right-size cartons; ask WWEX/UPS for an L+G threshold waiver or rate cap.
- **Residential Delivery** (\$167): Address classified residential. Dispute misclassified commercial addresses; negotiate residential surcharge discounts.
- **Pickup Or Delivery Appointment** (\$150): Scheduled window fee. Confirm necessity per location.
- **Additional Handling** (\$33): Heavy/awkward packages. Negotiate a flat-rate cap or threshold increase with the broker.
- **Residential Surcharge** (\$26): Address classified residential. Dispute misclassified commercial addresses; negotiate residential surcharge discounts.
- **Address Corrections Charge** (\$25): Bad ship-to data — fix at order entry; these are 100% avoidable.
