Negotiation / process levers on the top fee types:

- **Liftgate Delivery** (\$1,576): Charged when receiver lacks a dock. Audit which locations actually need liftgate; remove from standing accessorial where not needed.
- **Residential Delivery** (\$670): Address classified residential. Dispute misclassified commercial addresses; negotiate residential surcharge discounts.
- **Additional Handling Length + Girth** (\$577): Oversized boxes (L+G > 105"). Driven by Eagle box sizing — push Eagle to right-size cartons; ask WWEX/UPS for an L+G threshold waiver or rate cap.
- **Pickup Or Delivery Appointment** (\$287): Scheduled window fee. Confirm necessity per location.
- **Large Package Surcharge - Cubic Volume Comm** (\$240): Box exceeds UPS size limits — repackaging or LTL conversion candidate; also negotiable as a waiver tier.
- **Address Corrections Charge** (\$126): Bad ship-to data — fix at order entry; these are 100% avoidable.
